HANDS-ON TEAM BUILDING CORPORATE EVENTS

HOW IT WORKS

Light a fire under your team's 🍊 with an Iron Chef Style Battle!

- 1 LIVE COOKING DEMO!**
Our professional chefs will first demonstrate how to prepare the secret ingredient
- 2 BATTLE TIME!**
Teams break off into stations...Queue the dance music...Start the timer. Let the battle begin!
- 3 CHEF JUDGING TIME!**
Each team captain gets to sell/describe their dish. Chefs taste at their own risk!

The good news is you don't have to eat your own food (unless you are feeling ambitious)!
Our professional chefs serve lunch/dinner family style to your guests.
